HOURS OF LEARNING

Dear Parents / Guardians,

As we continue to navigate these difficult waters, our central objective is to ensure that the education your child receives meets their needs and supports their progress, both in terms of knowledge and skills.

We also need to consider their wellbeing and in light of this, we have decided to make a change to the working day. From 12th January, lessons will run as below:

8:30 – 8:45	Form Time
8:45 – 9:40	Period 1
9:45 – 10:40	Period 2
10:40 – 11:00	Break
11:00 – 11:55	Period 3
12:00 – 1:00	Period 4

The reason for this change is that we recognise that working in the way we have to has an extra strain of children, and we believe that this revised day will allow students to engage more effectively in their learning. We are also looking at adapting the teaching method to ensure that students health and wellbeing are supported whilst maintaining the quality of learning you would expect.

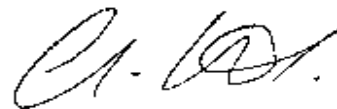

There will also be an addition hour of learning shared through tutors which will be student led.

If you have any questions about your child's learning at this stage, please contact your child's form.

Yours faithfully,

Mr Barber
Head of School

Mrs Holloway
Executive Headteacher
