

Interform competition:

Create a poster on a single side of A4 or A3 paper. The poster must encompass this year's British Science Week theme of '**Growth**'.

The posters will be judged on the following:

- **Creativity in approach** – Innovative angle on the content or creative interpretation of the theme
 - **Content** – Clear, accurate and informative about a STEM topic
 - **Effective communication** – presented and communicated in an engaging way
-

DEADLINE: Hand in to the science department by **1st April**.
