**Dear Mrs Holloway**

*May I extend my sincerest gratitude to your pupils and the staff who were involved in the amazing donation of food and toiletries made to us at the end of December. The pressures on local foodbanks continue to increase in line with the cost of living crisis. The generosity of your school is a wonderful example of the 'Acts of Kindness' that enable us to continue to support many local vulnerable families.*

*Also please be aware that you are able to refer families to us that may be struggling with the basics. We would be happy to help.*

Kindest regards

Gail
