Some year 8 boys went to a badminton competition they did amazingly well and came 3rd overall. Well done boys!

SPORT LEADERSHIP

As part of the curriculum this year all pupils in year 8 will have the opportunity to take part in a sports leadership module. This is a great opportunity for students to develop skills which will help increase their opportunities in the wider world. So far, they have had to chance to develop their confidence, communication, organisation and many more. The groups that have completed this module so far did a fantastic job in leading their own session and showed brilliant amount of progress from the beginning.

WOMEN'S FA CUP FINAL - WEMBLEY TRIP

On Sunday 5th December we took 28 students to Wembley stadium to watch the women's fa cup final between Arsenal and Chelsea. The students had an amazing experience and really loved the opportunity to watch live sport. They all said that they cannot wait for the next opportunity and would love to go again.

The students were a credit to the school the whole trip.
