## Sports day

After a 3-year break Heath Park had an amazing sports day at Aldersley stadium on Friday 15<sup>th</sup> July.

It was sunshine and smiles, especially as it was the first time our year 7, 8 & 9 got to experience and showcase their amazing sporting talent.

The stands were full and encouraging with banners cheers and songs. For year 10 it was the last time they will get to experience sports day and all the students thoroughly enjoyed the day.

10ML have retained their title the duration of their time at Heath Park.

## Wimbledon

On Wednesday 6th July we were lucky enough to take 8 students on a PE rewards trip to Wimbledon. These students have consistently gone above and beyond for the PE Department this year, volunteering and representing the school in an array of different sporting events.

They have shown time and time again that they uphold the schools core values.

The students had tickets to court 2 and were able to watch the Men's doubles quarter final which went all the way to the 5th set with the British player coming out on top. They also watched the Women's doubles quarter final, and a legends invitation game. The atmosphere was great all the way through, with the students getting to experience all the ups and downs of tennis.

Not only did the students get to watch some brilliant tennis. They also got to fully enjoy the grounds of Wimbledon. They went on a tour of the museum, had some of the famous strawberries and cream and two of the students even got to meet a tennis legend. Shai and Tyler in Year 7 plucked up the courage to go courtside, where they were lucky enough to get their tennis balls signed by British tennis legend Greg Rusedski.

What an amazing experience it was for all our students!

## Unified Cricket

We took a group of enthusiastic year 7 and 8 students to a unified event at Fordhouses Cricket Club. They competed against a number of schools and came second overall in the tournament, narrowly falling short by runs scored. The students conducted themselves so well all afternoon and really enjoyed the whole experience. In addition to this we also took four year 9 and 10 sports leaders to support with the event, and they received amazing feedback from the coaches there. It was fantastic day and all students involved were a credit to the school

# JR NBA FINALS

The year 7 Jr NBA team have had an amazing opening season this year. They went undefeated throughout the regular season and the play offs. They made it all the way to the midlands finals.

They were extremely unlucky to lose the finals 11-9 after a really close game.

The boys have represented the school brilliantly and we are very proud of them.

We are all looking forward to what next season will bring!

# ENGLAND V BELGIUM

On Thursday the 16<sup>th</sup> June, we took a group of 27 students to the Molineux to watch a friendly match between England Women and Belgium Women. The game was a great spectacle with England winning 3-0 and all the goals coming in the 2nd half.

The students had an amazing time and represented the school impeccably.

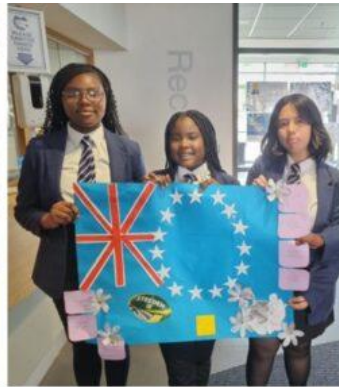

We are celebrating both our Y7/8 boys and girls dodgeball teams being selected to represent Wolverhampton City at the Active Black Country Games! This is where the best teams from Walsall, Sandwell, Wolverhampton and Dudley compete for the trophy. Our very own Tanveer Kaur was interviewed by the Express and Star on the day.

*"Tanveer Kaur, 13, was among a 16-strong team from Heath Park School, in Prestwood Road, Wolverhampton. She said: "We're having a lot of fun. I didn't expect there to be so many other schools here. We're the winners of the Wolverhampton School Games dodgeball competition and we're pretty confident that we will win here as well.""*

Our students did Heath Park and Wolverhampton proud! The girls team walked away with silver medals! Well done!!

**HP BATON BEARERS**

On Friday 10th June our HP students were baton bearers for the Wolverhampton City Games. We received the baton from Trinity Primary who put on a fantastic music and dance performance. Our students represented Cook Islands and transferred the baton to Wodensfield Primary where they received a fantastic reception.
