

Heath Park Bowling Rewards Trip 2025

Student Rewards Trip to Hollywood Bowl

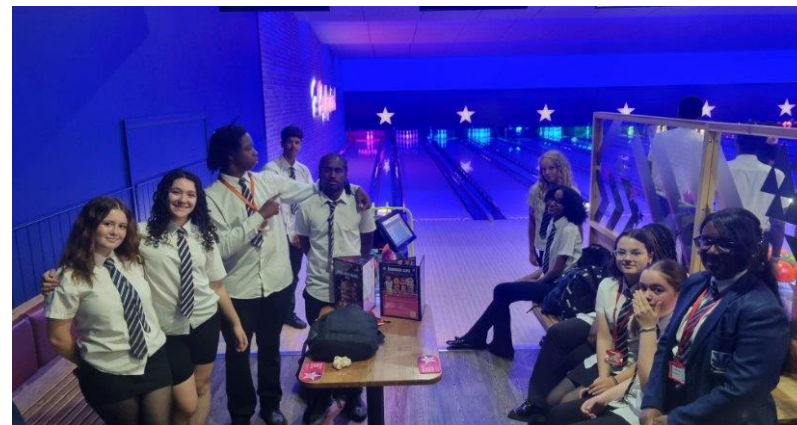

As a celebration of outstanding leadership and character, a group of our dedicated students enjoyed a well-deserved rewards trip to **Hollywood Bowl** this week. These students have consistently demonstrated excellence in their roles as **Prefects** and **Ambassadors**, going above and beyond to support their peers, represent the school, and uphold our school values- **Ready, Responsible** and **Respectful**.

Throughout the year, they have exemplified the core traits we strive to instil in all our students to be **self-disciplined, understanding, resilient, cooperative, prepared and reflective**. Their commitment to these traits, both inside and outside the classroom, made them the perfect candidates for this special recognition.

The trip was filled with laughter, friendly competition, and team spirit as students took to the lanes to enjoy an afternoon of bowling. It was a fantastic opportunity for them to relax, bond, and reflect on their positive impact across the school.

A huge thank you to all staff involved in supporting the event, and most importantly, congratulations to our student leaders - your efforts do not go unnoticed, and you continue to make us proud!
